

Manage All Invoice Payments in an Easier, More Cost-Effective Way While Adding a World-Class Virtual Card Program.

NBC Global Innovations platform integrates payables and allows AP staff to make check, ACH, credit card and wire payments in a single payment run. Save time, reduce costs and generate rebates on spending — all without changing your existing processes.

Easily Execute All Payments at One Time

Make virtual card, check, ACH and wire payments in a single payment run from your existing accounting system.

70

Generate New Revenue with Rebates on Spending

Turn your payables into a revenue generating asset. Every payment delivered with a virtual credit card is eligible for money-back rebates.

Further Reduce AP Costs

Pushing as many transactions to virtual credit card or ACH means even fewer checks, less fraud risk, and less printing and postage.

Greater Insight Into Payment Data

Because all of your payment data is consolidated in one central hub, you benefit from easier reporting and a full view of your expenses.

The Bottom Line Benefits

SAVE BETWEEN \$2-\$6 ON EVERY CHECK AND WIRE PAYMENT¹

EARN UP TO 2% IN MONTHLY REBATES ON VIRTUAL CREDIT CARD SPENDING

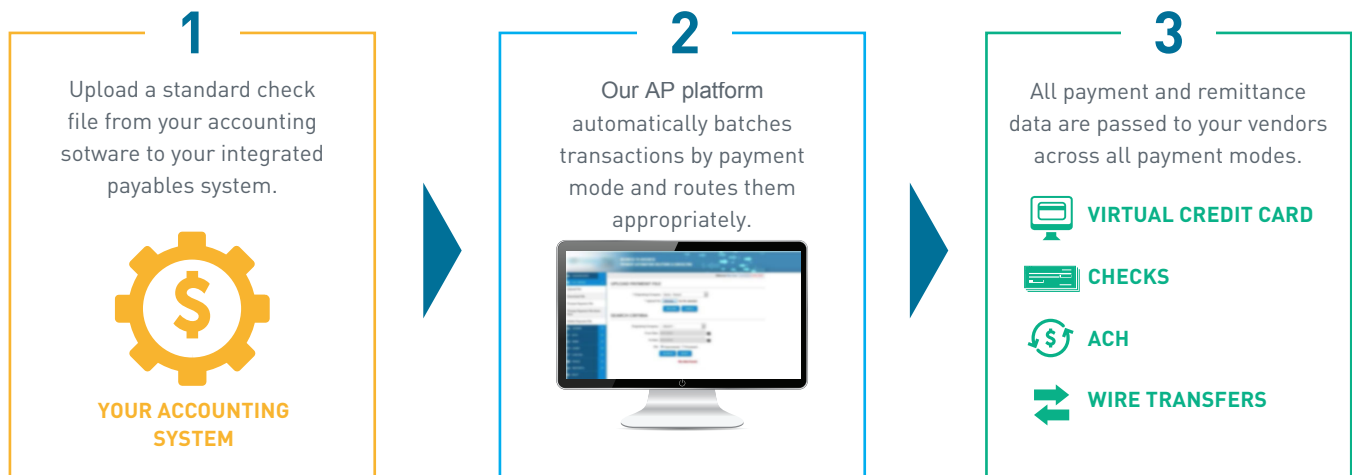

REDUCE TIME SPENT EXECUTING INVOICE PAYMENTS BY UP TO 75%

¹Estimated savings based on data from AFP Electronic Payments Survey and Aberdeen Research Group

INTEGRATED PAYABLES

How It Works

Execute all invoice payments in three easy steps.

Full Implementation and Program Management Support

Implementation and Setup

- A dedicated project management team will help you implement our AP platform in as little as 15 business days, with virtually zero burden on your internal team.
- Technical resources work with you to lead IT integration with your existing accounting software.
- Hands-on training and documentation is provided for your staff.

Vendor Management and Enrollment

- There are approximately 700,000 vendors already enrolled to receive virtual credit card payments on our platform.
- Our in-house Vendor Enrollment team works with you to convert vendors to electronic payments.
- We also offer an ACH self-enrollment option for vendors to maintain their banking information.
